SERVICE ACADEMY INFORMATION DAY

HOSTED BY THE OFFICE OF

CONGRESSMAN BILL PASCRELL, JR.

If you live in New Jersey's 9th Congressional District and are interested in pursuing an education at a United States Service Academy, I encourage you to attend my Academy Information Day. This is an opportunity for you to learn more about the nomination and appointment process.

Liaisons representing the Air Force Academy, Coast Guard Academy, Merchant Marine Academy, Military Academy (West Point), and Naval Academy are invited to answer your questions and review the admissions procedure.

The day will begin with an overview of my nominations process followed by brief presentations from each academy, the day will conclude with a breakout session for one-on-one interaction with the liaisons.

The dress code is casual. Parents and educators are encouraged to attend as well. I hope you will take advantage of this informational session and I look forward to your participation.

For any students, parents, or educators who reside in New Jersey's 9th Congressional District.

Sunday, April 24, 2016

2 pm to 5 pm

International High School Auditorium
