

BOROUGH OF HALEDON
ROAD IMPROVEMENT PROJECTS DELAYED

Governor Christie recently issued Executive Order 210 which shutdown all ongoing work funded by the Transportation Trust Fund Authority. Road Improvement Projects the Haledon Governing Body scheduled for this summer are now delayed. Those projects include improvements to Ida Street, King Street, North 15th Street, Roe Street and Ford Road. Borough Officials will continue to monitor this shutdown to determine when the scheduled projects will be allowed to resume.
